Commissioner for Patents

This is in response to Boards' Remand stating that the ground of rejection based on a primary reference of Maag et al is missing in the Final Rejection mailed on 11/25/2005.

The Examiner states that the ground of rejection based on a primary reference of Maag et al, as described in the paragraph 11 of Non-Final Rejection mailed on 6/20/2005, was inadvertently omitted from the Final Rejection mailed on 11/25/2005. Note that the paragraph 10 of the Final Rejection mailed on 11/25/2005 recites the omitted ground of rejection based on a primary reference of Maag et al to address further limitations.
